

Below is the official record of actions and committee reports for the quarterly meeting of the National Assessment Governing Board on March 5 – 7, 2015 in Arlington, VA.

The resolutions adopted have been designated as action items. They are as follows:

- The Governing Board unanimously approved the NAEP Assessment Schedule to include assessments at the national, state, and select urban district levels through 2024.
- The Governing Board unanimously agreed on the priority order for the planned fiscal year 2016 NAEP activities to guide Governing Board staff and National Center for Education Statistics (NCES) decisions in the event of insufficient appropriations from Congress.

Several other issues were addressed by Board Committees that may entail follow-up by NCES. These will be discussed further by Governing Board and NCES staff. Specific items include:

- At the May 2015 Board meeting, the Executive Committee and full Board will consider the NAEP budget needs for fiscal year 2017 for the President's budget request.
- The Reporting and Dissemination and Assessment Development Committees jointly resolved to collaborate on the Technology Engineering Literacy (TEL) reporting.
- The Reporting and Dissemination and Assessment Development Committees jointly requested further analyses of TEL scale scores and contextual variable indices, to provide valid and reliable reporting on subgroups—in particular gender and race/ethnicity.
