App Based Ride Service

Los Angeles International Airport (LAX)

Several app-based ride-share providers are authorized to service LAX airport. When arriving LAX you can be dropped off directly at your terminal on the upper/departures level. When leaving LAX, exit the terminal on the ground level (baggage claim) and walk to the LAX-it lot by Terminal 1 or ride the free LAX-it shuttle, which can be picked up on the Lower/Arrivals Level at the inner curb outside of baggage claim areas at the green LAX-it signs. You should schedule your ride via the app on your way to the LAX-it lot.

The Doubletree by Hilton Los Angeles is approximately 19 miles from LAX. The approximate one-way cost is \$40- \$55 each way.
