

2026 NAEP Administration Update

Goal

The purpose of this session is to update Board members on the progress made since the May Board meeting towards the 2026 NAEP administration.

Overview

Acting Commissioner Matt Soldner and Gina Broxterman from NCES will share major milestones associated with the 2026 NAEP administration, progress in meeting deadlines, and NCES's standard risk assessment and mitigation strategies. Board members will have an opportunity to ask questions and to discuss the information shared.
