

2025 NAEP Long-Term Trend Assessment (CLOSED)

Goal

The goal of this session is to discuss the results from the 2025 NAEP Long-Term Trend Report Card.

Overview

The NAEP Long-Term Trend Assessment measures reading and mathematics achievement at ages 9, 13, and 17. The assessment was last administered in 2025 for ages 9 and 13. NCES staff Enis Dogan will share key findings. The session is closed to the public because the data are embargoed prior to public release.
