

**Resolution: The Executive Committee's Charge to the
Ad Hoc Committee on Measures of Postsecondary Preparedness**

Whereas, on November 18, 2016, the National Assessment Governing Board unanimously approved the Strategic Vision to guide its work through the year 2020; and

Whereas, the Strategic Vision established a Board priority (SV#10) to *“Develop new approaches to measure the complex skills required for transition to postsecondary education and career”*; and

Whereas, on August 3, 2017, the Governing Board Chair created the Ad Hoc Committee on Measures of Postsecondary Preparedness to pursue this priority; and

Whereas, the Governing Board Chair tasked the Executive Committee to establish the charge to guide the Ad Hoc Committee on Measures of Postsecondary Preparedness;

Therefore, the Executive Committee resolves that:

- 1. The Ad Hoc Committee on Measures of Postsecondary Preparedness shall review existing research, collect expert testimony, and prepare recommendations for the Governing Board's consideration to achieve Strategic Vision priority #10.**
- 2. While the current legislation guiding the National Assessment of Educational Progress (P.L. 107-279) should provide parameters for the approaches to accomplish this priority, the Ad Hoc Committee on Measures of Postsecondary Preparedness may consider options that could require amendments to current legislation.**
- 3. The Ad Hoc Committee on Measures of Postsecondary Preparedness will report its recommendations to the Governing Board no later than the November 2018 Board meeting.**
