

May 2, 2013

Dear Board Member,

We are sending you the agenda and briefing materials for the May 16-18 meeting of the National Assessment Governing Board. The meeting will be in Los Angeles at the Omni Los Angeles Hotel, 251 South Olive Street in the revitalized downtown. Board member Shannon Garrison will be our local host, and we will be visiting her school, Solano Avenue Elementary, on Wednesday afternoon before the outreach dinner at the Omni Hotel. We appreciate Shannon's help in making arrangements as well as her enthusiasm for hosting. We look forward to her warm southern California hospitality.

The Board's Assessment Development Committee will meet beginning at 8:00 a.m. on Thursday, followed by the Ad Hoc Committee on NAEP Background Information at 2:00 p.m. The Executive Committee will meet at its usual time on Thursday at 4:30 p.m. All members are invited to attend these committee sessions.

At the start of Friday's general session we will hear from John Deasy, Superintendent of the Los Angeles Unified School District, which is the nation's second-largest school system and enormously diverse in its student population. After the standing committees meet Friday morning, the Board will receive a closed-session briefing from Associate NCES Commissioner Peggy Carr on results of the 2012 NAEP long-term trend assessments in reading and mathematics.

In the afternoon there will be a briefing from three experts in the field on English-language proficiency assessment, an issue of major importance for the NAEP policy on assessing English language learners. Next there will be Board discussions on two major items: the updated policy on the conduct and reporting of NAEP, and interpreting the 12th grade Proficient achievement level using findings from the Board's preparedness research. Last but not least, two Board members, Jim Popham and Hector Ibarra, will present their Making a Difference proposals on Friday afternoon.

On Saturday morning Chairman David Driscoll has scheduled a "blue-sky" discussion. All members are encouraged to offer their own ideas for NAEP during this open-ended conversation.

This promises to be a full and interesting meeting. If you need further assistance in any of your preparations, please let us know how we can help.

Sincerely,

Cornelia S. Orr
Executive Director
